

4th ANNUAL PLANT SCIENCES
SYMPOSIUM

The Ohio State University 2021 Plant Sciences Symposium

PLANT SCIENCES DURING A PANDEMICS: HOW PLANT SCIENTISTS CAN HELP?

MARCH 26, 2021

This symposium seeks enhance discussions among individuals in academia and in private industry, provide an opportunity for graduate and undergraduate students to share and disseminate high quality plant science research to the community, expose companies to qualified candidates, and enhance collaborations between plant scientists at Ohio State and other universities.

The event will be held virtually

Registration is free but required.
